SSID note to regions v5 OCFO.docx

Terry, we got new direction from Headquarters late Friday. (Hard to believe.) I am giving you an early heads up. We will be sending this out officially on Monday. The nation will all be using the same SSID. Region 6 will still pay for overtime for other region's employees.

Thank you so much for all your help.

Regional Comptrollers & Other Program Offices

Attached please find the instruction/guidance on how to ensure proper charging and tracking of payroll, contracts, and travel resources associated with the response to the Gold King Mine Release. While this may only currently affect some of you, I felt it would be prudent to share with all of you as some of your regional staff may be traveling to assist.

Please share with others as appropriate.

Thank you.
